Abstract

❑ This website helps to develop trust and clarity for exactly what i do.

Introduction

❑ A portfolio website is a unique way to showcase my work and let others know about myself.

Here is some HTML code of my project

```html
<!-- Navbar Start -->
<nav class="navbar fixed-top shadow-sm navbar-expand-lg bg-light navbar-light py-3 py-lg-0 px-lg-5">
    <a href="index.html" class="navbar-brand ml-lg-3">
        <h1 class="m-0 display-5"><span class="text-primary">Free</span>Folio</h1>
    </a>
    <button type="button" class="navbar-toggler" data-toggle="collapse" data-target="#navbarCollapse">
        <span class="navbar-toggler-icon"></span>
    </button>
    <div class="collapse navbar-collapse px-lg-3" id="navbarCollapse">
        <div class="navbar-nav m-auto py-0">
            <a href="#home" class="nav-item nav-link active">Home</a>
            <a href="#about" class="nav-item nav-link">About</a>
            <a href="#qualification" class="nav-item nav-link">Quality</a>
            <a href="#skill" class="nav-item nav-link">Skill</a>
            <a href="#service" class="nav-item nav-link">Service</a>
            <a href="#portfolio" class="nav-item nav-link">Portfolio</a>
            <a href="#testimonial" class="nav-item nav-link">Review</a>
            <a href="#contact" class="nav-item nav-link">Contact</a>
        </div>
        <a href="" class="btn btn-menu d-none d-lg-block" style="background-color:#457efa; color: #ffffff;">Hire Me</a>
